Allergy Training

With the adoption of PA 100-0367 on August 25, 2017, amendments to the Food Handling Regulation Enforcement Act were made to include an Allergen Awareness Training requirement. If you are ever the **Person in Charge (PIC) of a Category I or II establishment you must be a CFPM and must show proof of completion of additional Allergen Training.** Allergen Training requirements can be satisfied by completing an online ANSI approved Allergen Training course. Allergen Training courses are approximately 1-2 hrs. Allergen Training is valid for three (3) year.

The Illinois Food Service Sanitation Manager Certification may have the 8 hrs. of training as an online course; however, the **EXAM IS A PROCTORED EXAM and must be proctored by an Illinois Instructor.**
